What makes us different from other bed manufacturers?

Mark & Llinos from Fun Furniture Collection know how important it is that parents are happy with their children's new bespoke play house. We are a small family company who prides themselves on putting the customer first. Customers are at the heart of our business. There are no added hidden costs for our furniture, what we quote is what you pay. We give you the customer a range of options.

Mark, an industrial designer with over 25 years of experience, designs all of our furniture. Each piece of furniture is conceived and crafted from the highest grade birch faced plywood by time served craftsmen. Here at Fun Furniture Collection we believe quality and care of our products is paramount and we do not sell third party designs.

PAINT 'N' PLAY

Surf Shack Play House

Fun Furniture Collection brings you a classic old Surf Shack which has now been transformed into a children's play house. This surf shack will be a fantastic feature in any child's bedroom. The surf shack has been detailed as a castaway beach surf hut with lots of features. Palm tree, surf board, sign post and life belt ring. All these details for you to paint and have fun with your children making it look like the real thing. Have fun and be creative. All our furniture is handcrafted to order in Plywood or MDF. The self assembly construction guide for the slot together unit with minimal screw fixings is in the form of a step by step pictorial construction manual. The unit is also easily taken apart by removing a few fixings and unslotting the roof and sides. This play house is ideal for children and will delight all. Allowing their imaginations to take them on many imaginary journeys and adventures in play. Playtime will be a delight and not a struggle.

FREQUENTLY ASKED QUESTIONS

What are the delivery options?

We give you a choice for delivery options for your order.

A) We can get you a quote from a local trusted courier who has proven himself over many years delivering our furniture. He is a dedicated courier only carrying your goods. As our goods are so valuable we do not send them out via group carriers, as they tend not to look after the product, as past experience has taught us.

B) You are also very welcome to use any other delivery service. Please be aware that our furniture comes in multiple packages, and varies in weight and size.

C) You can pick your furniture up from the workshop in Stoke on Trent.
